**ERRATA¹ TO COMMENTS IN SUPPORT OF MOTION
FOR LIMITED INTERVENTION**

Pendleton C. Waugh (“Waugh”), hereby submits Errata to Comments in Support of Motion for Limited Intervention pursuant to Sections 1.223, 1.294, and 1.4(f) of the Commission’s rules.

The Motion for Limited Intervention (“Motion”) was filed by Michael D. Judy and other stockholders of Preferred Communications Systems, Inc (“PCSI” or the “Company”)(hereinafter referred to as the “PCSI Stockholders”) on July 17 and sought intervention limited to seeking to hold in abeyance settlement discussions in this proceeding premised upon the several lawsuits they have filed in the Delaware Chancery Court. These lawsuits seek, *inter alia*, to compel

Charles M. Austin, the purported sole Director and President of PCSI, to undertake the following actions:

- (1) provide access to certain of the Company's books and records;
- (2) call PCSI's first shareholders meeting in the Company's eleven and one-half (11 ½) year existence to elect a minimum of three and a maximum of eight additional directors to PCSI's Board;² and
- (3) cease negotiating a settlement of the FCC Enforcement Bureau's Docket No. 07-147 proceeding unless and until the Company holds its first shareholders meeting at which the additional directors would be elected.

2. One of the underlying premises of these lawsuits is that PCSI's Amended and Restated Certificate of Incorporation requires the Company to have a minimum of four directors one of whom must be elected by the holders of the shares of Series A Preferred Stock so long as 100,000 of such shares remain issued and outstanding. The PCSI Stockholders contend that based upon the Company's Certificate of Incorporation and applicable Delaware law, Mr. Austin has lacked the authority to undertake many of his past actions on behalf of PCSI and Preferred Acquisitions, Inc. ("PAI"), its wholly-owned subsidiary corporation, and lacks any authority to conduct negotiations on behalf of these companies with the FCC's Enforcement Bureau ("EB") to settle or otherwise resolve the EB Docket No 07-147 proceeding.³

² Preferred initially amended its Certificate of Incorporation in April 1999. Contemporaneously, it filed a Certificate of Designation for its newly created Series A Preferred Stock with the Delaware Secretary of State. Such Certificate of Designation required the Company to have a minimum of four directors and a maximum of nine directors. Pursuant to such Certificate of Designation, the holders of shares of Series A Preferred Stock had the right to elect one of Preferred's directors as long as 100,000 or more shares of Series A Preferred Stock were issued and outstanding. Upon the shareholders approving the Company's recapitalization proposal in March 2007, the terms and provisions of the Company's Certificate of Designation were incorporated into Preferred's current Amended and Restated Certificate of Incorporation.

³ Based upon a memorandum prepared by Whitley Penn, CPAs, a Dallas, Texas based regional certified public accounting firm retained by Preferred to prepare a certified audited financial statement for the

3. These lawsuits thus raise serious questions as to Mr. Austin's authority to act on behalf of the Company and to take such acts as entering into a settlement of this proceeding on behalf of PCSI. The Company's stockholders, therefore, seek to intervene for the limited purpose of asking the Presiding Judge to hold any proposed settlement in abeyance pending resolution of the Delaware litigation. Waugh supports limited intervention for the following reasons:

4. As the Enforcement Bureau has stated, "No party to the settlement negotiations, ..., is interested in expending time and effort negotiating, executing, and complying with a settlement that would ultimately fail due to Austin's lack of authority."⁴ Waugh joins in this concern. The Bureau, however, dismisses such concern by stating that since the PCSI stockholders do not own a majority of PCSI's stock, there exists no likelihood that they will prevail in the lawsuit in the Delaware Chancery Court.⁵ As noted above, based upon the recently discovered documents prepared by Mr. Austin and Ms. McClain, serious fact questions exist with respect to Mr. Austin's share ownership and his status as a validly elected director and validly appointed officer. Under applicable Delaware law, it clearly appears that Mr. Austin never was validly

period December 31, 2005, it appears that Mr. Austin presented a certificate denominated C-18 as issued to him on April 14, 2000. However, the Company's stock register prepared by Ms. Michelle Bishop, the then corporate secretary indicates that such certificate was issued on March 20, 2001 to Gerald M. Setka. In addition, the Preferred stock register has no entry for any certificate issued to Charles M. Austin. Since PCSI has never held a shareholders meeting and has not distributed written consents authorizing the Company to issue shares or common stock purchase warrants to Mr. Austin, he clearly never has been validly issued either such shares or warrants. Moreover, if he never were validly issued shares or warrants, he never could have elected himself as a director. Finally, if he never were validly elected as a director, he never could have validly appointed himself as an officer. Mr. Waugh has attached the recently discovered documents as Exhibit A hereto. He thereby is complying with a continuing request by the FCC EB made during his deposition in late January 2009 to provide documents he discovers that relate to PCSI's stock and warrant ownership.

⁴ See Enforcement Bureau's Opposition to Motion for Limited Intervention, para. 7.

⁵ See Enforcement Bureau's Opposition to Motions for Limited Intervention, para.8.

issued any shares or warrants.⁶ Moreover, the EB fails to cite any authority for its proposition, nor does it support its charge that the PCSI's stockholder's Motion to Intervene is a clear subterfuge to apply pressure in a private contractual dispute. Rather, if the Delaware lawsuits are successful, and the claims of the PCSI stockholders clearly are substantial, any settlement agreement entered into by Mr. Austin may have to be undone.⁷ Common sense and judicial efficiency support the relief that the PCSI stockholders seek.⁸

5. As the Presiding Judge (and his predecessor) have correctly noted in their previous rulings denying intervention, Section 1.223 of the Commission's Rules requires that a petitioner must show how his participation will assist the Commission in the determination of the issues in question, must set forth any proposed issues in addition to those already designated, and must set

⁶ Equally important, as noted above as of March 4, 2008 Preferred's stock register does not indicate that Mr. Austin was a shareholder or warrant holder.

⁷ The Company's purported recapitalization transaction that (1) reclassified its shares of Common Stock into two separate and distinct classes and (2) affected a 2:1 forward stock effectively providing Mr. Austin personal voting control (assuming that it somehow could avoid honoring its commitment to issue the equivalent of 800,000 pre-recapitalization transaction shares of Common Stock to the Raymond Hebrank Voting Trust) therefore was ineffective under applicable Delaware law. As a result, PCSI's capitalization structure, share ownership and voting rights remain what they were prior to the purported recapitalization transaction:

Common Stock with each share possessing one vote

Two Series (A and B) of Preferred Stock convertible into shares of Common Stock

Common Stock Purchase Warrants the exercise of which purchases share of Common Stock

Assuming that all of the presently issued and outstanding shares of Preferred Stock and convertible promissory notes are converted into shares of the Company's Common Stock and all of its presently issued and outstanding Common Stock Purchase Warrants are exercised, Mr. Austin would have considerably less than both fifty percent (50%) of the total number of shares issued and outstanding and the total number of votes. He rather easily could be outvoted at a special shareholders' meeting that Michael D. Judy and other Company shareholders are seeking to schedule.

⁸ The Enforcement Bureau prematurely faults the PCSI stockholders for not demonstrating irreparable harm and the likelihood of success on the merits. See, Bureau's Opposition, note 12. It is Waugh's understanding that the PCSI stockholders are not seeking a stay at this time, but attempting to intervene so that they can properly seek a stay. Moreover, attempting to effectuate a settlement entered into without authority could very well constitute irreparable harm, especially if the licenses have been assigned.

forth the reasons why it was not possible to file a petition within the time period. *Pendleton C. Waugh, Charles M. Austin, and Jay R. Bishop*, Memorandum Opinion and Order, FCC 09M-48, released July 16, 2009; and *Pendleton C. Waugh, et al.*, Memorandum Opinion and Order, FCC 08M-09, Released February 19, 2008). The prior rulings held that the interests of PCSI shareholders are being represented by the corporate parties and by a corporate officer. Here, the PCSI stockholders have shown that they have an interest in the outcome of the proceeding separate and apart from Mr. Austin and that Mr. Austin likely does not have authority to enter in a settlement agreement on behalf of the Company. The Commission has stated that a stockholder cannot intervene unless it shows a divergent financial or economic interest from the corporation, itself. See, e.g., *La Star Telephone Company*, 6 FCC Rcd 1245 (1991). The PCSI stockholders clearly have made such a showing. Moreover, the decision to permit intervention is within the presiding officer's discretion. *Id.* citing *Listener's Guild, Inc., v. FCC*, 813 F.2d 456, 470 (D.C.Cir, 1987). Under these unique and compelling circumstances, Waugh supports the limited intervention of the PCSI stockholders.

6. WHEREFORE, the premises considered, the Motion for Limited Intervention should be granted.

NOTES

1. Mr. Waugh gained access to these files after Mr. Austin placed them on computers at PCSI's marketing offices in Escondido, California, and Scottsdale, Arizona. Since PCSI used a network arrangement with a server, when Mr. Waugh left these two offices in August 2006 and October 2008, he was provided with thousands of his personal files on an external hard drive and compact discs. These files were inadvertently transferred to him due to the sheer volume of his files and the time it would have required to carefully sort through all of them and exclude certain files.

(A)	Letter of Credit. This was a one time deal. We borrowed money from Gerald (Jerry) Setka to purchase E. F. Johnson Frequency Scanning Radio Equipment. Jerry put up a letter of credit to Transcript International. which was secured by his life insurance policy at Hartford Life. The deal was to pay him back before Transcript International drew down on the LC and he would receive 5% of the stock of PCSI or 150,000 shares. We did not pay him back before they drew down on it so we had to pay him interest on the money for the time borrow and an additional 45,000 shares in the company, per the contract.
(B)	Short Term Loan. This loan we did only twice. We need to close these people fast so that we could hold an investor meeting. This was a very short term 12% note, convertible into Series A Preferred Stock @ \$3.00 per share. We also gave him a Common Stock kicker of 6,250 for each \$30,000. Judy loaned PCSI \$40,000, converted \$10,000 into Series A and we paid the \$30,000 back with interest. The Talcotts converted all to stock.
(C)	Series "A" Preferred Stock. This is our standard Series "A" stock offering at \$4.50 per share. Some of the investors received a Common Stock kicker based on a prior investment in one of PCW projects that did not pan out.
(D)	FCC Auction Down Payment Loan. (Loan Agreement & Pledge)
(E)	FCC Auction 20% Payment. Loan Agreement and Guarantee . I have contacted the attorney in Puerto Rico that drafted the agreement and is searching for the docs.
(F)	FCC Auction Final Payment Loan. (Guarantee & Pledge) I have contacted the attorney in Puerto Rico that drafted the agreement and is searching for the docs.
